

Berkshire Pulse Studio Rental Covid-19 Protocol

We ask all individuals and groups that are renting Berkshire Pulse studios to follow the protocol below.

- Follow arrival check-in process. Upon arrival, check in downstairs to have a symptom and temperature check. If your temperature is 99° or above, you can wait five minutes to try again. If it is still 99° or above, you will not be able to use the studio that day.
- Masks should be worn at all times, unless alone in a studio, or sharing the space with members of your pod or household.
- Wash or sanitize your hands upon arrival, and regularly throughout your stay.
- Wipe down all the objects and surfaces (door knobs, switches, barre, etc) you touched.

If you become aware that someone in your household has been exposed to COVID-19, Pulse must be informed of that exposure for contact tracing procedures. The sooner we all know, the safer we can keep everyone in our community.

For any questions, please reach out to Veronica at veronica.pulse@gmail.com.

Please sign and date below to indicate that you understand and agree to follow all protocols listed above.
