

## **2023 PERFORMANCE WEEK SCHEDULE AT THE Simon's Rock DANIEL ARTS CENTER**

### **PARENTS/GUARDIANS/PERFORMERS:**

*Performers are required to attend the technical rehearsal, which applies to the class(es) they are participating in. Attendance is also required for the dress rehearsal and performance. Students must be in costume for all rehearsals held at the theater during performance week. Costumes will be provided by Berkshire Pulse, unless you are otherwise notified. **Please note: It is essential that students arrive with enough time prior so they can warm up and be prepared for a prompt rehearsal. Though we strive to keep rehearsals running on schedule, ending times can vary. Please expect at least 1/2 hr after rehearsal for costume changes and notes and allow flexibility in your schedule in case the rehearsal runs a bit over-time. Although food and drink are not allowed in the theater, there is a common room backstage where snacking is allowed. Please send healthy snacks and water with your child. Snacks for sharing are welcomed (i.e. grapes, bananas, snack bars, dried fruit, and baked goods). No popcorn, greasy foods, soda, or candy please!***

---
